4. Internal quality control procedures

PKF AUDIT considers quality to be an essential item of its reputation. The quality is required in everything that PKF AUDIT's employees do.

We are required to adhere to a system of quality control that involves, at a minimum, the following standards issued by the standard setting boards of the International Federation of Accountants:

- ISQC1: Quality Controls for Firms That Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements;
- International Standard on Auditing 220: Quality Control for Audits of Historical Financial Information;
- IESBA Code of Ethics for Professional Accountants.

These standards and procedures are designed to provide global and national management with reasonable assurance that audits engagements are conducted in accordance with applicable professional standards and procedures.

The firm's system of quality control is presented in PKF AUDIT's Quality Control Manual which details the policies and the procedures necessary for the performance of internal quality control activity.

Our Quality Control Manual includes procedures for:

- Acceptance and Continuance;
- Ethical requirements;
- Human resources
- Engagement performance
- Monitoring
- Documentation

5. Date of last independent Quality Inspection

The most recently, the Romanian Chamber of Financial Auditors inspected the Company on February 7th 2012. The Company obtained mark "A" (93% compliance with RCFA norms) in this inspection.

6. Independence

In order to achieve high quality audits, we accept audit engagements only where the audit team is independent, objective and qualified.

Each partner and employee completes an annual Independence Questionnaire confirming that they are:

- Fit and proper individuals
- Are independent
- Will comply with confidentiality rules
- Understand the policies and procedures of the firm

The partner must ensure that PKF AUDIT's independence is established before a client is accepted.

In case that a member of the audit team became aware of any circumstances or relationship which could create a threat to independence, the audit partner should immediately be notified.

The PKF AUDIT's management confirms that independence policies are strictly observed and continuously reviewed.

7. Training and continuing professional development

The firm's personnel policies and procedures are designed to ensure we have sufficient personnel with the capabilities, competence, and commitment to ethical principles necessary to perform audits and assurance engagements in accordance with professional standards and regulatory and legal requirements and to enable the firm or engagement partners to issue reports that are appropriate in the circumstances.

All financial auditors and certified accountants attend the continuous education programs organized by the Romanian Chamber of Financial Auditors and the other professional bodies (CECCAR, CCF).

All audit personnel are also continuously trained on the job during the audit engagement.

Our employees are participating to trainings and conferences organized by PKF International.

In addition, PKF AUDIT holds professional books. Our library is constantly enriched and updated.

8. Financial information

The company has incurred a good growth during the period 2007-2009, followed by a decrease in 2009, due to the world-wide economic crisis.

But starting with 2010, we had a small, but constant, growth.

9. List of clients for public interest for statutory audit purposes

Our firm was engaged in **June 2014** to audit the financial statements as at December 31, 2013 of **Biroul de Turism pentru Tineret S.A.** which is a public interest company held by the Ministry of Youth and Sports and S.I.F. Transilvania as major shareholders.

10. Remuneration of the partners

All partners are equity partners. As a result that they have full rights and obligations in accordance with the Companies' Act no. 31/ 1990.

The partners have the right, in accordance with the law, to receive wages, administration fees, dividends.
